

# IV Symposium of Students in Physical Oceanography

Within the framework of the Ocean Decade

 September 24-25, 2026

 CICESE, Ensenada, B.C., Mx

Free entry and registration

**A gathering by and for students. An ideal space to share your progress, receive peer feedback, and learn about ocean and atmospheric research from neighboring institutions**

Target audience: Undergraduate and graduate students

Accepted topics: ocean physics, atmosphere, or related interdisciplinary work

Participation formats: Poster or oral presentation

## Selection process

To participate, fill out the form: <https://forms.gle/osq1AbbKyLuqt5ct8>

You must include: name, work title, institution, and abstract (maximum 300 words)

Application deadline: August 24, 2026

Results announcement: 5 business days after the application deadline

Important: Accepted abstracts will be published as online proceedings on the website <https://oceanografia.cicese.mx/>
